### **Custom Design Purchase Agreement**

Welcome to **A Wish Come True** custom design process. We will create a custom style with a **minimum of 15 uniforms** (a secondary variation of the style for male participants is also available). **There is a \$100 design development fee per style** and the process will take approximately **8 weeks** from design conception to shipping your order provided response is prompt in each of the steps outlined below.

#### **Design Process:**

Call or email our office and our design staff will discuss your unique, one of a kind design. Communicate: what you are looking for in your custom uniform, approximately how many pieces you will need and your budget/price range. We will create and email (or mail) a color rendering of your design for your approval. We will also mail fabric swatches. Once you have approved the design, a price will be quoted. This process will be completed in **approximately two weeks**.

**Initial contact:** Corinne D'Ambra, [corinne@awishcometrue.com](mailto:corinne@awishcometrue.com) or 1-800-755-2248 ext. 236

**Custom Designer:** Joe Heininger, [jheininger@awishcometrue.com](mailto:jheininger@awishcometrue.com) or 1-800-755-2248 ext. 212

#### **Design Approval:**

Once you have received the price quote for your design, please sign at the bottom and email or fax (1-800-755-9360) back this acceptance agreement to proceed with your order. Please include a credit card number. **You will only be charged a \$100 sample fee if you decide not to proceed with the order after your uniform sample has been made.**

**We will then make your production sample and email you a photograph of the design for your final approval.** (The uniform sample can be shipped to you by request, however it **must** be returned to us within **5 business days**). Email us or call to: approve the **final** design and **choose the sizes you want to order**. Custom uniforms are not exchangeable or returnable. **Minor changes to the design can be made without an additional fee, but MAJOR REDESIGNING WILL REQUIRE A CHARGE OF THE COST OF THE CUSTOM, AND WILL DELAY DELIVERY OF YOUR ORDER!** This process will be completed in **approximately two weeks**.

#### **Payment Method:**

**All orders require a 50% deposit or a valid signed School Purchase order and sizes to be processed. The balance of the order is due prior to shipping.** We accept all major credit cards and checks. **After receiving your deposit or P.O and SIZES**, production will take approximately **four weeks** for your order to be shipped. **If paying by check it will take two weeks to clear before the order is released to ship.**
